

Aquamarine Newsletter

26th February 2019

By Charis and Frey

English

We drew what we thought Tudor England was like and the next day we wrote a setting description based on our drawings.

Maths

In Maths, we have been working on equivalent fractions.

Science

In Science, we did a shadow investigation and we used that information to find out about the times of day in different countries. We also did a layout of the different forms of the moon in different places.

R.E.

In R.E., we had printed worlds and on one side we wrote the world we wanted and on the other side the world Jesus wanted, and we linked them to Bible stories.

Kentwell Trip

In preparation for our trip to Kentwell, every child in the class needs to make a Tudor-style hanging pocket. If any parent/carer would be happy to give up some time to come into school and help us make these, we would be very grateful. The time could be a few afternoons, or a full day. For more details, please get in touch with Mrs Brace via the office or before school. Thank you ☺

Homework:

Maths

Equivalent fraction practice. Please complete on the sheets.

English

Complete your 500 word story. Please submit your story online at home, via the BBC 500 Words website, and bring a copy into school by Monday 4th March.

Nouns and (year 5) pronouns practice. Please complete on the sheet.

Reading

At least 15 minutes every night. Remember to please to fill in reading records throughout the week.

Spellings

Practise your spellings. Spellings will be tested on Friday. This week's method is connect the dots.
